Good Evening,

Below is our October Newsletter - please read as there are some important changes:

November SCB Concert

Due to school availability, the "Water Works" SCB Concert will be at 7pm on **Saturday, November 23rd**. I apologize for any confusion regarding this date. Please let personnel know as soon as possible if you are unavailable.

Please talk this up to your friends and family!

Season Calendar

The members page has been updated with a number of future concerts. Please make sure these are on your calendar. As always, they are subject to change due to venue requirements.

December Series

We are working on scheduling some smaller scale Christmas concerts in December. These will require smaller instrumentation. Steve will be discussing this more in the upcoming rehearsals. One of the concerts is the December 8th concert at Victory Church, and we are working on some more.

Dues

Thank you for paying dues! We are doing great on people paying dues (thank you for the wine raffle, Amy!) If you have not paid dues yet, please do so as soon as possible.

Chart Donations

We still have some charts that are up for adoption! If you are interested in donating or seeing what is available, see Laura in the trumpet section.

Concert Advertisements

Please let us know if you are interested in advertising in the concert programs.

Board of Directors

Due to some unforeseen scheduling conflicts, we are down one board member. If you are interested in joining the board, please let us know! Our board meetings are the 2nd Monday of each month, typically at Sharon Middle School, except in the case of the school being closed. The next meeting will be on November 11th at Mick Morgans.

Thanks,

--
