Good Evening,

Thank you to all who participated in Friday's Jazzy Valentine event, as a performer, volunteer or audience member. It was a great night playing for our largest ever Jazzy Valentine crowd. Thank you to Mark Freitas for putting on such a successful event!

Please see below for our February Newsletter:

### **Upcoming Rehearsals**

All of our rehearsals are at Sharon Middle School for the foreseeable future. That being said, please be on the lookout for emails over the next few months in case we need to use an alternate rehearsal site. As we get into the spring, the middle school gets busy with concerts and theatre productions. As a non-school organization, we unfortunately can be bumped from the middle school for a rehearsal with very little notice.

### **Inclement Weather Policy**

Our policy for snow / inclement weather is to hold rehearsal unless the Sharon Public Schools cancel evening activities. In the event that rehearsal is cancelled, a board member will send out an email and the cancellation will be noted on the members page ([www.sharonbands.org/members](http://www.sharonbands.org/members)) as soon as possible.

### **Updated Handbook**

The board has updated the members handbook, which you will find as an attachment. Please take some time at your convenience to familiarize yourself with the handbook, particularly if you are new to the band.

### **March SCB Concert**

Our March SCB concert is just over a month away. After playing for such a great crowd at the Jazzy Valentine and Norwood Winter Concert series, it would be great to have a large audience. Please help spread the word so that we can have another great show. To boost our audience size, we are offering **free admission** to anyone 18 years old or younger.
