

Sharon Bands
April 2020 Newsletter

Hi Folks,

I hope everyone is staying healthy and sane! The board "met" this evening over Zoom, and we wanted to share a bit of our thoughts moving forward.

Online Member Meeting

The Board and Steve are planning on hosting a member forum on **Thursday, April 23rd**. Please stay tuned for more information. Steve is planning on putting together a couple of survey-type questions for the band so that we have some information going into the meeting. Please be on the lookout for an email with those questions, as well as a place to ask any questions for the forum.

Rehearsals

We are not anticipating being able to rehearse for the rest of the season. Even when schools resume, we expect that there will be caps on the number of people congregating for a while. We also are mindful of the age of our membership, and don't want to put anyone in a risky position.

Summer Performances

We have not made any decisions about our summer performances at this time. Our hope is that we will be able to salvage some of our summer performances, but we are in a bit of a holding pattern at this time.

Steve has been putting together possible programs in the event that we are able to come back for an open rehearsal type concert. For the RSBB, this would involve music already in the book. For the SCB, this would involve some of the music from our fall program, some of the music that we were working on for the March concerts, and some EASY newer tunes.

More information will be coming

Board Openings

Each June we elect 5 board members. If you are interested in running for a seat on the Board of Directors, please email me or any of the other current board members.

Please be on the lookout for another email in the next couple of days from myself or another board member. Stay safe, be well and keep in touch!
